- *Keynote Speaker*
- *Equity Belonging Expert*
- *HR Leader & Consultant*

## "Do I Belong?"

This question is common but least talked about in the corporate world today. MeChelle passionately reveals *The Business of Belonging - how belonging influences the productivity, profitability, and pride in workplace cultures.*

You'll discover...

- The factors that lead people to leave their jobs or retire in place—and the actual cost to organizations.
- MeChelle's story of how she found her mission in the Equity, Inclusion, Accessibility, and Belonging space.
- A refreshing perspective on how to turn teams around through intentional equity and inclusion actions.

”

*MeChelle Callen is a compassionate HR expert who lights up the stage. She's the real deal and authentically cares about all people being invited to the table. Her experience is priceless!*
